Notice Concerning Recording of Extraordinary Loss

Medical Data Vision announces that it has recorded the following extraordinary loss in the financial results for the fiscal year ended December 31, 2022.

1. Details of Extraordinary Loss

As a result of evaluating shares of a subsidiary held by the Company, whose real value has significantly declined compared to the book value, the Company booked an extraordinary loss of 392 million yen as a loss on valuation of stocks of subsidiaries and affiliates due to impairment, and 375 million yen was recorded as an extraordinary loss on impairment of goodwill, etc. in the consolidated financial statements for the group consolidation.

2. Future Outlook

The above extraordinary loss is reflected in the “Consolidated Financial Results for the Third Quarter of the Fiscal Year Ended December 31, 2022 [Japanese GAAP]” announced today. Since the relevant company’s shares have been 100% impaired, there will be no future write-downs of the subsidiary’s shares due to changes in the company’s plans or other factors.
